Falls Creek Village — the first snowy night...

There's a note in my ski boot... with a little fox on it!

The note read...

"I hid the Golden Snowflake high on this mountain. Follow my riddles... Your first clue waits where the village clock counts the hours. — The Snow Fox 🦊"

Next morning — the clock tower

Answer the Fox's riddles and a secret word appears!

Bring it on, Fox!

🔒 CLUE 1 — The Clock Tower Riddles (each answer lights up one golden letter)

1. The chairlift carried 8 skiers up, then 5 more hopped on. How many riders in all?
2. 15 icicles hung from the roof; 6 melted. How many are left?
3. A gondola has 3 cabins, each holds 4 people. How many can ride at once? (x)
4. Leo made 7 snowballs, then the same again — double 7 is...?
5. The clock chimed 9, then 2 hours later chimed the hour. What hour?

Solutions: 1) 13 · 2) 9 · 3) 12 · 4) 14 · 5) 11 → the letters spell W-O-M-B-A-T 🐾 → next stop: *Wombat's Ramble!*

— TO BE CONTINUED · a flash of orange fur by the ticket booth... —

Halfway down Wombat's Ramble — a tiny snow-gum hut.

The Fox left a window of shapes!

Melt the frost... and an arrow appears!

shimmer...

CLUE 2 — The Window of Shapes
