The Summit of Champions

The highest peak, the hardest riddles, the greatest treasure of all!

🏆 Right Angles · Direction & Grids · Chance · Roman Numerals · GRAND Test

Fifth morning — the Snow Fox waits at the tallest peak.

One mountain remains — become true Champions!

A **right angle** is a perfect square corner — like an L!

 CLUE 1 — Right Angles

1. How many right angles does a square have?
2. Does the corner of a book make a right angle?
3. Clock hands at 3 o'clock — a right angle, or bigger?
4. How many right angles does a rectangle have?
5. Pointy tip of a pizza slice — smaller or bigger than a right angle?

Solutions: 1) 4 · 2) yes · 3) a right angle · 4) 4 · 5) smaller

— TO BE CONTINUED · a champion never gets lost... —

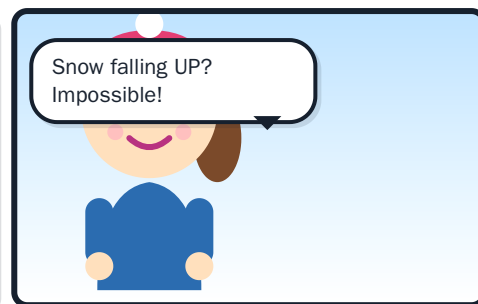

CLUE 2 — Compass & Grid (grid: at across 2/up 3 · at 2/2 · at 4/1)

1. Face North, turn right — which way now?
2. What is at "across 2, up 2"?
3. Opposite of East?
4. Move (across 2, up 2) one square East — new "across" number?
5. Walk North, then about-face — which way now?

Solutions: 1) East · 2) the snowman · 3) West · 4) across 3 · 5) South

— TO BE CONTINUED · now, the trickiest idea — CHANCE! —

CLUE 3 — Likely or Unlikely?

1. Bag: 9 red, 1 blue. Grab one — which colour more likely?
2. Snow falling UP into the sky — certain, likely, or impossible?
3. Tomorrow comes after today — certain or impossible?
4. A bag of only white marbles — pick one, certainly what colour?
5. 5 red + 5 green — equally likely to pick either? (yes/no)

Solutions: 1) red · 2) impossible · 3) certain · 4) white · 5) yes

— TO BE CONTINUED · an archway of ten runes... —

BIG CHALLENGE 1

The Archway of Ten

Ten glowing runes seal the way to the summit.

THE ARCHWAY OF TEN — mixes Episodes 1–3

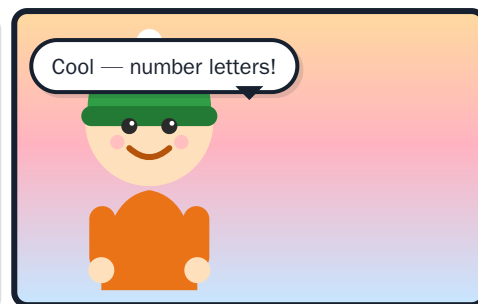

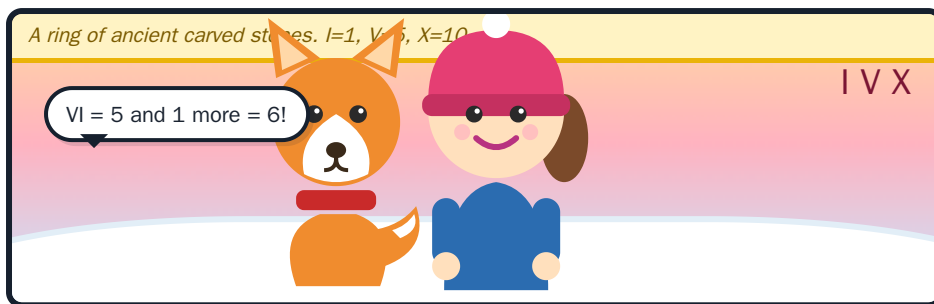

1. Right angles in a square?
2. Does an "L" show a right angle?
3. Face North, turn right — way?
4. Opposite of West?
5. Grid: count across or up first?
6. 8 red, 2 blue — more likely?
7. A fish flying a plane — possible or impossible?
8. Right angles in a rectangle?
9. Bag of only green — certainly pick what?
10. Face South, about-face — way?

Archway code: 4 · yes · East · East · across · red · impossible · 4 · green · North | 8–10 🌟 Champion-Level!

The arch opens — one last idea: the ancient Roman numbers!

— TO BE CONTINUED —

 CLUE 4 — Ancient Numbers

1. What is III?
2. What is V?
3. What is X?
4. What is VII?
5. Write 2 in Roman numerals.

Solutions: 1) 3 · 2) 5 · 3) 10 · 4) 7 · 5) II → a stairway of light rises to the peak!

— TO BE CONTINUED · the Champion's Cup, ringed with fifteen locks... —

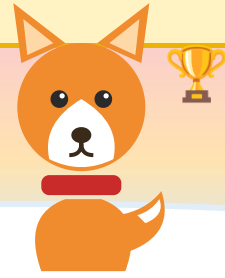

GRAND FINALE
